Dear Susan Evans

## **Ysgol Gynradd Gymraeg Y Login Fach**

### **Schools requiring Estyn review following Section 28 inspection**

As you know, we recently worked with Swansea local authority to review the progress the school has made since the core inspection.

#### **Outcome of the review**

Ysgol Gynradd Gymraeg Y Login Fach is judged to have made appropriate progress in respect of the key issues for action, and in developing the capacity to continue to bring about improvements. We will now remove the school from the list of schools requiring Estyn review. There will be no further monitoring activity in relation to this inspection.

A letter confirming the outcome of the review will be published on our website on 3/1/25. We share this information with you in confidence. You will be aware that until the letter is published, any information about Estyn's decisions should remain confidential to the school.

I am copying this letter to Katrin Parkhouse, the headteacher, to Helen Morgan-Rees, the Director of Education for Swansea local authority.

Yours sincerely

**Liz Miles**
