### About us

Welcome to our first PTFA newsletter. Just a little bit about what we are. We are a group of parents and friends associated with Ysgol Gymraeg Y Login Fach and we volunteer our time to help raise much needed funds by arranging school events and fetes. With your continued help and support we have been able to help the school by purchasing much needed school equipment, such as new iPads for every class, new tables and chairs for Yr 4 and the nice new signs that you see around the yard.

### Easter fundraising

Following last year's Easter bonnet parade the children requested something a little different, something new. So we have taken the children's request on board and have combined this into a fundraising Easter challenge as well. Funds that are raised during this fun Easter challenge will be put towards our new target to obtain new play equipment for the yard.
